Magog: According to first-century Jewish historian Josephus, the land of Magog was inhabited by the Scythians. The Scythians lived throughout Central Asia, indicating its identity is associated with nations today such as Kazakhstan, Kirghizia, Uzbekistan, Turkmenistan, and Tajikistan. Some also include Afghanistan in this group.

2. **Rosh** is the remote part of the north (38:6, 15; 39:2). Because of this, most interpreters identify Magog as Russia, at least part of Russia, or perhaps Russia and some of the former Soviet nations connected with it. Those that study languages and cultures also agree this is probably Russia.

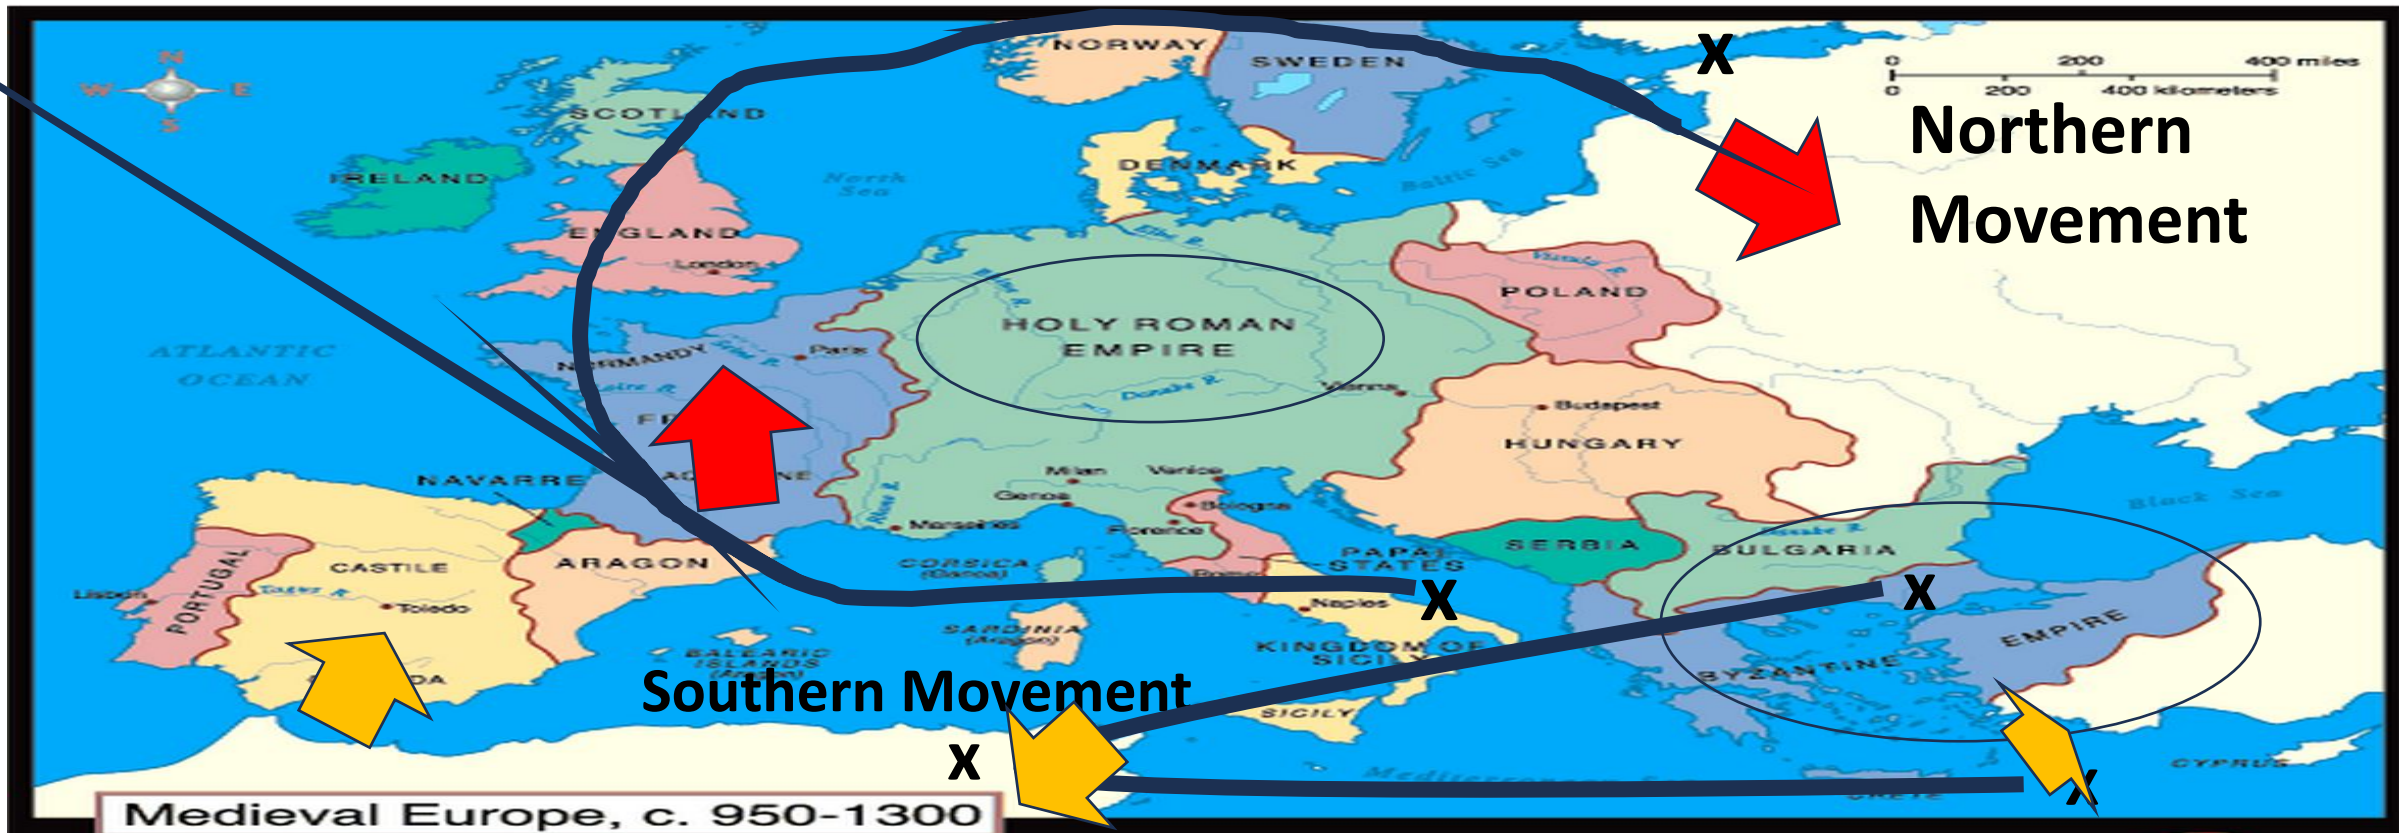

3. **Persia: This is the land of modern Iran.**

- 5. Cush (or Ethiopia):** This land, often translated as Ethiopia, is not the same as modern Ethiopia. It represented the land south of Egypt. Today, this nation is Sudan.
- 6. Put:** Also translated in some versions as Libya, this land is still known as Libya today.

7. Gomer: Part of modern Turkey.

8. Beth Togarmah: Part of modern Turkey.

**Two Pieces of the Roman Empire;
Rome to the West (Roman Empire) and
Constantinople
to the East. (Byzantine Empire)**

First, we need look at the verses in Daniel 2 for understanding where the Roman connection comes from? It may not be as simple as it is presented. ⁴⁰ **And there shall be a fourth kingdom, strong as iron, because iron breaks to pieces and shatters all things. And like iron that crushes, it shall break and crush all these. And as you saw the feet and toes, partly of potter's clay and partly of iron, it shall be a divided kingdom, but some of the firmness of iron shall be in it, just as you saw iron mixed with the soft clay. ⁴² And as the toes of the feet were partly iron and partly clay, so the kingdom shall be partly strong and partly brittle. As you saw the iron mixed with soft clay, so they will mix with one another in marriage, but they will not hold together, just as**

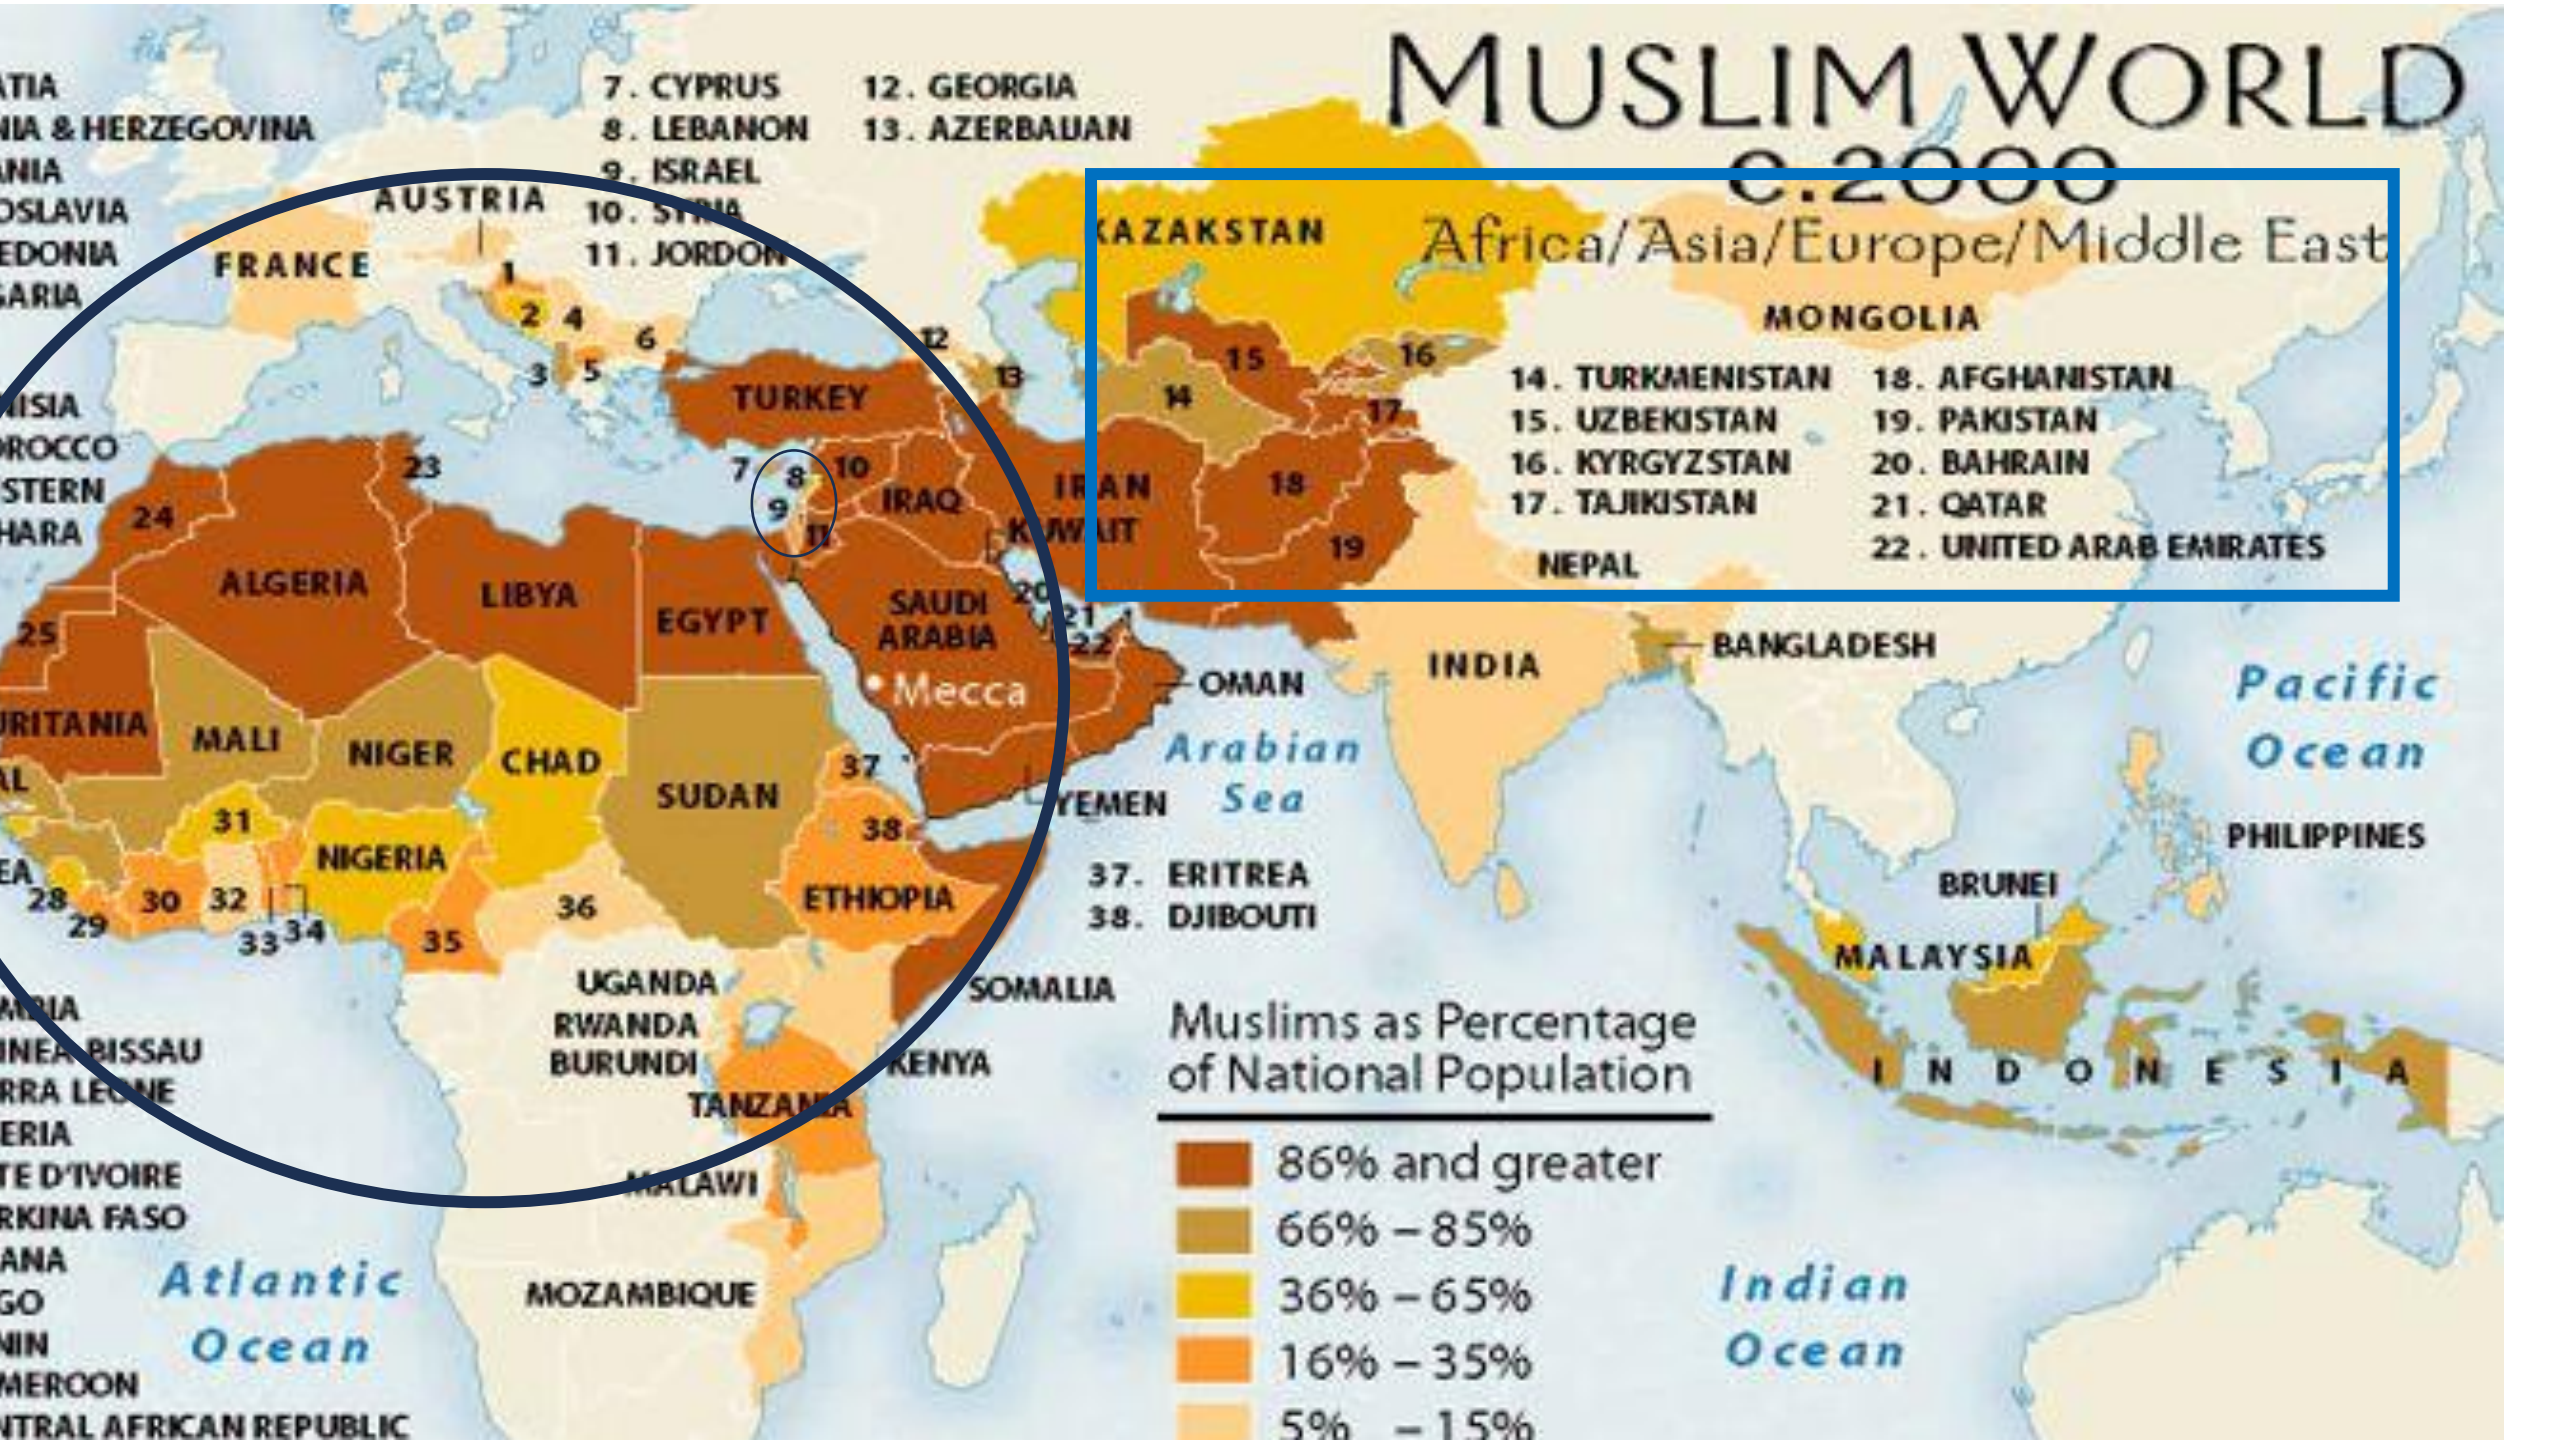

And after the sixty-two weeks Messiah shall be cut off, but not for Himself; And the people of the prince who is to come Shall destroy the city and the sanctuary. The end of it shall be with (like) a flood, And till the end of the war desolations are determined.⁵

We must read Daniel 9:26. 10:23, and Daniel 10:20

Could the accusing of the Revived Roman Empire be more speculation than historical fact. Granted Russia is in the mix

February 24, 2024 A new report published at The Gatestone Institute by Guy Milliere, a University of Paris professor, is warning that unless something significant changes, Muslims will be "the end of the European civilization as we know it."

He cited the results of a survey published by a French weekly, Le Journal du Dimanche. It found radical Muslims routinely are given platforms in France, 49% of French Muslims want Catholics to convert to Islam and churches made into mosques.

"France is a country where more than 70% of prison inmates are Muslim. According to reports, the crime rate among the Muslim population is high.... There are also more than two hundred rapes every day in France, most perpetrated by Muslim men who entered France illegally. Only 7% of illegal immigrants ordered to leave France are ever actually deported," he warned. "If Europeans wish to avoid such a future and keep their culture, they need to start making that outcome unmistakably clear to everyone, not just by words but by actions. If not, what we are seeing could well mean the end of the European civilization as we know it".

The Stone (Jesus the Messiah)
will strike the Image...

The stone grows into a holy mountain (1000-year Messianic Kingdom)
after destroying these Gentile Kingdoms at the 2nd Coming.

We will focus on the Historical Europe-Roman Empire as given in Daniel, Chapter 2 and 7. Review the Statue on page 24 and focus on the two feet and toes. EU is defined as the “international organization comprising 27 European countries and governing common economic, social, and security policies” with a population over 400 million. Originally confined to western Europe, the EU undertook a robust expansion into central and eastern Europe in the early 21st century. **Question** How does Daniel explain the **mixture of clay and iron** in the toes of the feet? (Verses 42-43)

Consider **the mixture that will not adhere**? (Verse 42)

Question-- Can the two feet and 10 toes possibly be both the Western and Eastern parts of the revived Roman Empire? Could this be represented by Western European Nations and the Eastern Muslim Nations? In 70 A.D. Jerusalem was destroyed by Rome. But this was not the first time Jerusalem was discreated. ([Antiochus IV Epiphanes](#)) Israel was dispersed and was not restored again as a nation until 1948.

Verse 41 Just as you see that the feet and toes were partly of baked clay and partly of iron (it will be a mixture of empires that are not totally united), **so this will be a divided kingdom** (It is possible that the 2 legs = West-Rome and East-Constantinople occurred in 395 A.D.) **yet it will have some of the strength of iron in it, even as you saw iron mixed with clay.**

No god but Ali, and
Mohammed is the
Messenger. The flag even had
a name: "the eagle."

Now I saw when the Lamb opened one of the seals; and I heard one of the four living creatures saying with a voice like thunder, “Come and see.” And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. The image depicts an acontextual map of Iraq and a black flag with the *shahada* – Islamic testimony of faith holding that there is no god but Allah and that Muhammad is his messenger – with a sword underneath. Without geopolitical context or neighboring countries or bodies of water, the map emphasizes the national context and scope of jihad in Iraq. The appearance of the black banner hoisted in the center of the map stresses the notion of revolt against the Iraqi regime. According to *hadith* (prophetic tradition or report), the black flag was the battle flag of the Prophet Muhammad and it was carried into battle by many of his companions. The image of the black flag has been used as a symbol of religious revolt and engagement in battle (i.e., jihad). In the contemporary Islam

The 12th Imam or the Mahdi

The Deception has already started.

1st John 4:3--Don't trust every spirit, dear friends of mine, but test them to discover whether they come from God or not.

Read 2nd Chronicles 18: 19-22. Also found in 1st Kings 22: 9-12

Read 2 Thessalonians 2: 6-8

Is it possible that a deceiving Spirit can be sent by God-Elohim? That is the main question that must be answered before any major discussion can be had on Islam in Last Day Events.
