

Welcome to **Community Bible Class**

Many thanks to Bella Vista Baptist Church and Pastor Brent Summerhill for the use of the Fellowship Hall to accommodate our Community Bible Class.

Background

A group of 5 couples had been meeting in the home of Chick and Wanda Holland for Bible studies for almost two years. Located in Jane, Missouri, the Hollands have graciously offered their home and hospitality to those seeking to study the Scriptures and go “deeper” into the Word.

At the End of February of this year, the word had spread throughout the community, and we were seeing over 25+ people crammed into their living room/kitchen area, with no more room to grow.

While Gary was visiting with Pastor Brent of Bella Vista Baptist, recently, we were offered the opportunity to meet at the church on Thursday nights. Since we were totally out of room at their house so we gladly accepted the invitation.

Teachers

Dr. Holland and Pastor Gary are NOT PROPHETS. They are simply “watchmen on the wall” bringing Biblical information and interpretation to so much material that is being taught currently. With their combined

efforts to sort out the truth from the false, they present to the class Biblical guidelines for interpreting Scripture. They believe that God has called them to bring “warnings” AND ENCOURAGEMENT to God’s people as the end of time is near, not to make predictions or speculations.

Details

The group meets at 5:30 on Thursday nights and begins the evening with desserts/snacks until 6:15, then we have a season of prayer. Bible Class begins around 6:15. *(Don’t worry if you can’t get here on time because of work, just come when you can.)*

We have arranged for the back door of the church to unlock from 5:15-6:30, then it locks again while we are in the class. If you get here late, just knock on the door and someone will come and let you in.

Information about the Current Study

The Bible Class is currently using Dr. David Jeremiah's book called, **THE BOOK OF SIGNS**.

Each week a lesson is taken from the study guide. The teachers assume you have read the assignments, so they provide additional materials to aid in the overall understanding of the subject to be taught. **At times, the teachers spend more than one class on one chapter topic.**

Previous studies that have been done in the past have been topical, and use only the Bible, or they discussed Video sermons and discussions. Many of these studies can be found by going to Anita Burney's videos on You Tube or Rumble.

The Hollands will order you a book (1 per couple) for free. Just let us know if you need one.

Resource Materials

Both teachers often recommend these authors, speakers, videos, podcasts, etc. to aid in the current studies. Some of the books can be loaned to you for a two week period if you do not wish to purchase.

To Access the Notes from Class – you must be able to work through Google Docs. If you don't have a google email account, you will need to bring pen and notebook to class for notes. We need an email address that has a .com on the end of it to be able to send you the link to the notes.
